## PAVERS

Vantage Pavers offer even more opportunities to express your personal style. Their striking surface texture evokes subtle sophistication that makes an even bigger statement about your overall project. This series is offered in two size modules; Grand Vantage Pavers are larger paving stones, and Vantage Pavers are more traditional paver sizes. Manufactured as three-piece modules, Grand Vantage and Vantage Pavers can be used alone or melded together to create one-of-a-kind installations that leave a lasting impression.

*The color photos shown in this catalog were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.*
