## SHAPES & SIZES

### WIRECUT/STRIATED/COMBED BLOCK WITH & WITHOUT SCORES

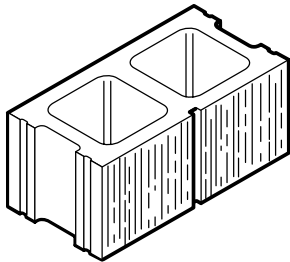

Up close, STRIATED/WIRECUT BLOCKS' surfaces reveal a delicate presentation of **subtle, precast vertical lines**.

From a distance, scores provide a visual theme of smaller units to create a structure with human scale. The rich combed effect adds subtle textural interest. Several score options are available, including: 3/8" square, 3/8" round, and 3/8" small "V". *Call for availability.*
