# ELEMENTS PAVERS

4 INCH | PAVER & 8 INCH | PAVER

4x8 & 8x16 ELEMENTS™ PAVERS offer a clean aesthetic with their smooth surface and slightly chamfered edges. Stones can be used alone or melded with compatible pavers to create one-of-a-kind installations.

Look for the Sentinel Sealed Technology icon for availability with select colors. All colors are available without Sentinel.

The color photos shown were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.
