Grand TRANQUILITY PAVERS

8 INCH | 3-PIECE SLABS

Grand TRANQUILITY PAVERS® form clean lines for a refined expression of style. Each paver, with its soft slate-style texture, is manufactured to withstand everyday use and offers visual appeal with a subtle surface texture.

All colors are exclusively available with Sentinel Sealed Technology. Colors without Sentinel are not available.

The color photos shown were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.
