

PRODUCTS | STEP UNITS

# LANDSCAPE STEP UNITS

**Landscape Step Units** have a smooth stepping surface and splitface finish. Providing solid and safe footing, their size speeds up step installation time and reduces the amount of retaining wall block needed.

6 HEIGHT

LEARN MORE

*The color photos shown were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.*
