# OVERSIZE LANDSCAPE STEP UNITS

**Oversize Landscape Step Units** are manufactured through a wetcast process to produce a weathered, natural textured surface. Their larger size covers more square footage than alternative step options, reducing installation and labor costs.

## Colors

SOLID

Oversize Landscape Step Units in Camel,  
Splitface COUNTY BLOCK WALL SYSTEM in Timeless,  
Double Sided Splitface Rectangle Cap in Timeless

*The color photos shown were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.*
