VANTAGE PAVERS in Enlighten,
Grand CREST COPING PAVERS in Vision

PRODUCTS | PAVERS

VANTAGE PAVERS

4 IN | 3-PIECE PAVERS

VANTAGE PAVERS® feature a striking, slate-style surface texture that evokes subtle sophistication. These traditional-sized pavers are manufactured as three-piece modules and can be used alone or melded with compatible pavers to create one-of-a-kind installations.

The color photos shown were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.
